

Political Ideals Core Principles of the PFJF Movement

1. Nonviolence is the only legitimate method of political change.
2. The legitimacy of political authority derives exclusively from the consent of those governed.
3. Corruption is incompatible with democracy and must be eliminated at all levels.
4. No preventable human death is acceptable.
5. Truth, science, and open inquiry are essential to human progress.
6. Diversity of cultures, beliefs, and ideas strengthens humanity.
