

## **Ten Principles of a Planetary Federal Democratic Republic**

- 1. War between nations becomes illegal.**
- 2. All humans possess equal fundamental rights.**
- 3. Nations retain cultural and local self-governance.**
- 4. Planetary courts resolve disputes between nations.**
- 5. Global environmental protection is enforced.**
- 6. Extreme corruption is prosecuted internationally.**
- 7. Free and fair elections are guaranteed everywhere.**
- 8. Economic systems operate within rules that prevent exploitation of people and the planet.**
- 9. Planetary institutions remain democratically accountable to the people of Earth.**
- 10. The long-term survival of humanity becomes the highest political priority.**
